

Reports

Users with the "admin" and "superadmin" roles can download reports on devices and incidents in the csv format.

In order to download reports, go to the appropriate section of the interface.

Reports

Select a report:

A dropdown menu with a light gray header containing the text 'Incidents report' and a small upward-pointing arrow. Below the header, there are two visible options: 'Incidents report' (highlighted in blue) and 'Devices report' (in white).
