## **Obtaining Google API Key**

Successfully pass the free certification exam at IW Academy and become an Infinet Certified Engineer.

To the certification exam

1. Follow the link https://console.developers.google.com/ and login with your Google credentials.

## 🚹 ΝΟΤΕ

For the correct network map operation, we recommend to use the Google API Key in accordance with the terms of maps using by third-party services. Information about conditions is available at: https://cloud.google.com/maps-platform/

Users who have previously worked with the API, we recommend to go through updated Google guide for existing customers: https://cloud.google.com/maps-platform/user-guide/

2. Click «Enable APIs and Services».

5. Click «Enable», wait for the process to finish.

6. Go back to https://console.developers.google.com/. Choose the "Credentials" section, press "Create credentials" and choose "API key" from the dropdown menu.
