Configuration and management

✅ Successfully pass the free certification exam at IW Academy and become an Infinet Certified Engineer.

To the certification exam

InfiMONITOR NEXT is configured and managed via a web interface.

Enter in the browser address bar the link to the web interface of the monitoring system: http://XXX.XXX.XXX.XXX, where XXX.XXX.XXX.XXX - is an IP address, set at the **InfiMONITOR NEXT** installation step. To change the IP address use the service mode.

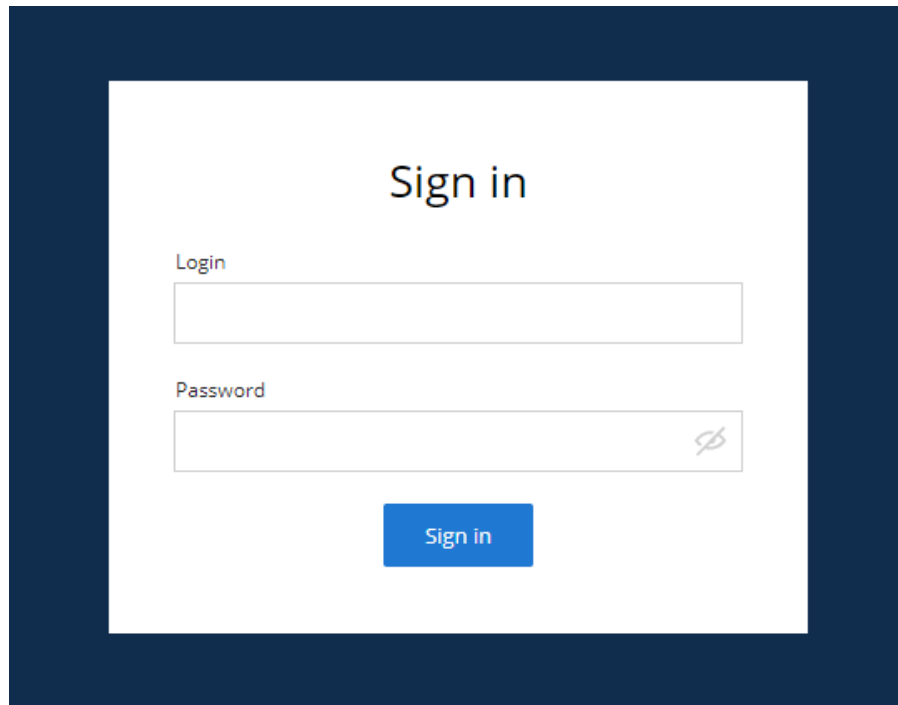

Figure - Authentication in NEXT web interface

⚠️ **NOTE**

For authorization use login and password of the user account with a Superadmin role which has been set in the installation wizard.
